

Your Child's Inclusive Education – 101

A webinar series brought to you by Community Living Ontario's
Community Inclusion Initiative

This webinar series has been designed to give families the information they need when seeking a quality education that includes the expectations of academic success and inclusion in regular classrooms for their son or daughter who has an intellectual disability.

The beauty of a webinar is that you don't have to leave the comfort of your home. All you need is access to a computer and a set of speakers. This introductory series is being offered **FREE OF CHARGE** to all registrants.
